DEFENCES

Relief pursuant to Corporations Act, s.1318

80. In further answer to the whole of the Statement of Claim, Abboud says that, if it is established that he engaged in misleading or deceptive conduct in contravention of the Corporations Act (which is denied), he acted honestly and, having regard to all the circumstances of the case, he ought fairly be excused for the contravention pursuant to s.1318 of the Corporations Act.

Proportionate Liability – Apportionable Claims

81. In further answer to the whole of the Statement of Claim, Abboud says that, if (which is denied) Abboud contravened s.1041H of the Corporations Act and is liable to the Plaintiffs or Group Members for any loss or damage which resulted from such contravention, then:

- (a) the claims of the Plaintiffs and Group Members against Abboud in respect of such loss or damage are apportionable claims within the meaning of s.1041L of the Corporations Act; and
- (b) by reason of the matters pleaded below, each of Abboud, Potts, DSH, the DSH directors and Deloitte is a concurrent wrongdoer in respect of such loss or damage, within the meaning of s.1041L of the Corporations Act.

Proportionate Liability - DSH and Potts

82. If the Plaintiffs establish that:

- (a) Abboud engaged in misleading or deceptive conduct in contravention of the Corporations Act (which is denied); and
- (b) Potts engaged in misleading or deceptive conduct in contravention of the Corporations Act, as pleaded in Part XII of the Statement of Claim (which is not admitted);

- (d) any such contravention by Abboud, Potts and DSH caused the loss to the Plaintiffs and/or Group Members pleaded in Part XIII of the Statement of Claim (which is denied);

then each of Abboud, Potts and DSH is a person whose acts or omissions caused the loss allegedly suffered by the Plaintiffs and/or Group Members which is the subject of their claim, and therefore each is a concurrent wrongdoer within the meaning of s.1041L of the Corporations Act.

83. By reason of the matters pleaded in paragraphs 81-82 above, and pursuant to s.1041L of the Corporations Act, any liability (which is denied) of Abboud to the Plaintiffs and/or Group Members is to be limited to an amount reflecting that proportion of the loss or damage claimed that the Court considers just having regard to the extent of Abboud's responsibility, and the extent of Potts' and DSH's responsibility, for such loss or damage.

Proportionate Liability – Other DSH Directors

- (f) Jamie Clifford Tomlinson;
- (g) Phillip John Cave (**Cave**) (until 28 February 2015, when he ceased to be a director of DSH); and
- (h) William Paul Renton Wavish (**Wavish**) (until 25 March 2015, when he ceased to be a director of DSH).

(together, the **DSH Directors**)

85. For the purpose only of this proportionate liability defence, and without admission, Abboud repeats paragraphs 59-62, 65-66, 72-75, 78-79, 80-118, 120-129, 131, 140, 148, and 218-224 of the Statement of Claim. If those matters (which are the subject of denials and non-admissions pleaded above) are established, then:
- (a) each of the DSH Directors made the declaration in relation to the 2015 Half-Year Financial Statements pleaded at paragraphs 59-60 of the Statement of Claim, and thereby made the representations in relation to the 2015 Half-Year Financial Statements which are pleaded at paragraphs 61-62 of the Statement of Claim;
 - (b) each of the DSH Directors caused the 2015 Half-Year Financial Statements to be issued to the ASX, by joining in the resolution referred to in paragraph 56(a) above;
 - (c) each of the DSH Directors caused the 17 February 2015 ASX Announcement & Results Briefing pleaded in paragraphs 65-66 of the Statement of Claim to be made to the ASX, by joining in the resolution referred to in paragraphs 22(b) and 59(a) above;
 - (d) each of the DSH Directors (other than Cave and Wavish) made the declaration in relation to the 2015 Full Year Financial Statements which is pleaded in paragraphs 72-73 of the Statement of Claim, and thereby made the representations in relation to the 2015 Full Year Financial Statements which are pleaded at paragraphs 74-75 of the Statement of Claim;
 - (e) each of the DSH Directors (other than Cave and Wavish) caused the 2015 Full-Year Financial Statements to be issued to the ASX, by joining in the resolution referred to in paragraph 63(a) above;
 - (f) each of the DSH Directors (other than Cave and Wavish) caused the 18 August 2015 ASX Announcement & Results Briefing pleaded in paragraphs 78-79 of the Statement of Claim to be made to the ASX, by joining in the resolution referred to in paragraph 30(b) and 66(a) above;

- (g) by reason of the matters in paragraphs (a)-(f) above, each of the DSH Directors engaged in the conduct pleaded against Abboud in paragraphs 148(a)-(c) of the Statement of Claim, and each of the DSH Directors (other than Cave and Wavish) engaged in the conduct pleaded against Abboud in paragraphs 148(e)-(g) of the Statement of Claim, being in each case conduct in relation to a financial product or a financial service within the meaning of s.1041H of the Corporations Act;
- (h) the conduct of the DSH Directors referred to in paragraph (g) above was misleading or deceptive, in contravention of s.1041H of the Corporations Act, for the reasons pleaded in paragraphs 120-122, 124, 125-127, 129, 131 and 140 of the Statement of Claim; and
- (i) the Plaintiffs and Group Members have suffered loss as a result of the contraventions referred to in paragraph (h) above, for the reasons pleaded in paragraphs 218-224 of the Statement of Claim.

86. By reason of the matters pleaded in paragraph 85 above:

- (a) each of the DSH Directors is a person whose acts or omissions caused the loss allegedly suffered by the Plaintiffs and/or Group Members which is the subject of their claim, and therefore each is a concurrent wrongdoer within the meaning of s.1041L of the Corporations Act; and
- (b) pursuant to s.1041L of the Corporations Act, any liability (which is denied) of Abboud to the Plaintiffs and/or Group Members is to be limited to an amount reflecting that proportion of the loss or damage claimed that the Court considers just having regard to the extent of Abboud's responsibility, and the extent of the responsibility of each of the other DSH Directors, for such loss or damage.

Proportionate Liability – Deloitte

87. Deloitte:

- (a) was appointed as auditor by DSH; and
- (b) had professional or expert competence in providing auditing and accounting services.

88. Deloitte performed the Deloitte 2015 Half Year Review, in the course of which Deloitte performed the work and expressed the opinions in respect of the accounting treatment of rebates referred to in paragraph 32 above.

89. By issuing the Deloitte 2015 Half-Year Members Report, Deloitte made representations that:

- (a) based on the Deloitte 2015 Half Year Review, Deloitte had not become aware of any matter that made it believe that the half-year financial report was not in accordance with the Corporations Act, including:

- (i) giving a true and fair view of DSH's financial position as at 28 December 2014 and of its performance for the 26 weeks then ended, and
- (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the Corporations Regulations;

Particulars

The representation was express and was set out on page 2 of the Deloitte 2015 Half-Year Members Report.

- (b) Deloitte had a reasonable basis for the representation in paragraph (a) above, and in particular the view conveyed by that representation was based upon sufficient appropriate audit evidence, and based on a proper interpretation of Australian Accounting Standards.

Particulars

The representation was implied from Deloitte's statement in the Deloitte 2015 Half-Year Members Report that it had conducted its review in accordance with the Auditing Standard on Review Engagements ASRE 2410, and from Deloitte's expertise in auditing and accounting matters.

90. The representations referred to in paragraph 89 above (the **Deloitte Half-Year Representations**) constituted:

- (a) conduct by Deloitte in trade or commerce within the meaning of s. 18 of the *Australian Consumer Law (NSW) (ACL)*;
- (b) further or in the alternative, conduct in relation to a financial product or a financial service within the meaning of s. 1041H of the Corporations Act; and
- (c) further or in the alternative, conduct in relation to financial services within the meaning of s. 12DA of the *Australian Securities and Investments Commission Act 2001 (Cth) (ASIC Act)*.

91. For the purpose only of this proportionate liability defence and without any admission, Abboud repeats paragraphs 80-103 of the Statement of Claim and says that if (which is denied) the Plaintiffs establish that:

- (a) the accounting treatment in respect of supplier rebates adopted by DSH in its financial report as at 28 December 2014 did not comply with Australian Accounting Standards AASB 101, AASB 102 and/or AASB 108;
- (b) the financial report of DSH as at 28 December 2014:

- (i) did not give a true and fair view of the financial position and performance of DSH and the DSE Group as at the reporting date; or
 - (ii) did not comply with the Corporations Act; or
 - (iii) did not comply with Australian Accounting Standards; or
- (c) there was no proper or adequate basis to form the opinion that the financial report of DSH as at 28 December 2014:
- (i) gave a true and fair view of the financial position and performance of DSH and the DSE Group as at the reporting date; or
 - (ii) complied with the Corporations Act; or
 - (iii) complied with Australian Accounting Standards,

then Deloitte, in making the Deloitte Half-Year Representations engaged in conduct that was misleading or deceptive or likely to mislead or deceive in contravention of s. 18 of the ACL or alternatively s. 1041H of the Corporations Act, or alternatively s. 12DA of the ASIC Act.

Particulars

If the matters in any of subparagraphs (a)-(c) are established, then Deloitte did not have a reasonable basis for the Deloitte Half-Year Representations, and/or did not have sufficient appropriate audit evidence in respect of the matters the subject of the Deloitte Half-Year Representations, and/or the Deloitte Half-Year Representations were not based upon a proper interpretation of Australian Accounting Standards.

92. Deloitte performed the June 2015 Audit, in the course of which Deloitte performed the work and expressed the opinions in respect of the accounting treatment of rebates referred to in paragraph 32 above and also performed the work and expressed the opinions in respect of inventory provisions at paragraph 44 above, and at the conclusion of the June 2015 Audit Deloitte issued the Deloitte June 2015 Members Report.
93. By issuing the Deloitte June 2015 Members Report, Deloitte made representations that:
- (a) the June 2015 Audit had been conducted in accordance with Australian Accounting Standards, and had involved, inter alia, performing procedures to obtain audit evidence about the amounts and disclosures in the financial report, and also evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors;
 - (b) Deloitte was of the opinion that the financial report of DSH for the period ended 28 June 2015 was in accordance with the Corporations Act, including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 28 June 2015 and of its performance for the year ended on that date, and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations;
- (c) Deloitte was of the opinion that the financial report also complied with International Financial Reporting Standards; and
- (d) Deloitte had a reasonable basis for the representations in paragraphs (b)-(c) above, and the views of Deloitte conveyed by those representations were based upon its audit work including the procedures and other analysis referred to in paragraph (a) above, based on sufficient appropriate audit evidence, and based on a proper interpretation of Australian Accounting Standards.

Particulars

The representations in paragraphs (a)-(c) above were express and were contained in the Deloitte June 2015 Members Report.

The representation in paragraph (d) was implied from the representations in paragraphs (a)-(c) above, and from Deloitte's expertise in auditing and accounting matters.

94. The representations referred to in paragraph 93 above (the **Deloitte 2015 Audit Representations**) constituted:
- (a) conduct by Deloitte in trade or commerce within the meaning of s. 18 of the ACL;
 - (b) further or in the alternative, conduct in relation to a financial product or a financial service within the meaning of s. 1041H of the Corporations Act;
 - (c) further or in the alternative, conduct in relation to financial services within the meaning of s. 12DA of the ASIC Act.
95. For the purpose only of this proportionate liability defence and without any admission, Abboud repeats paragraphs 80-118 of the Statement of Claim and says that if (which is denied) the Plaintiffs establish that:
- (a) the accounting treatment in respect of supplier rebates adopted by DSH in its financial statements did not comply with Australian Accounting Standards AASB 101, AASB 102 and/or AASB 108; or
 - (b) the provision adopted in respect of inventory in the financial report of DSH as at 28 June 2015 was inadequate, and/or the assumptions or methodology used to determine that provision were inadequate, and/or the financial statements of DSH as at 28 June 2015

overstated the carrying value of Inventories and did not comply with Australian Accounting Standard AASB 102; or

- (c) the financial report of DSH as at 28 June 2015:
 - (i) did not give a true and fair view of the financial position and performance of DSH and the DSE Group as at the reporting date; or
 - (ii) did not comply with the Corporations Act; or
 - (iii) did not comply with Australian Accounting Standards; or
- (d) there was no proper or adequate basis to form the opinion that the financial report of DSH as at 28 June 2015:
 - (i) gave a true and fair view of the financial position and performance of DSH and the DSE Group as at the reporting date; or
 - (ii) complied with the Corporations Act; or
 - (iii) complied with Australian Accounting Standards,

then Deloitte, in making the Deloitte 2015 Audit Representations engaged in conduct that was misleading or deceptive or likely to mislead or deceive in contravention of s. 18 of the ACL or alternatively s. 1041H of the Corporations Act, or alternatively s. 12DA of the ASIC Act.

Particulars

If the matters in any of subparagraphs (a)-(d) are established, then Deloitte did not have a reasonable basis for the Deloitte 2015 Audit Representations, and/or did not have sufficient appropriate audit evidence in respect of the matters the subject of the Deloitte 2015 Audit Representations, and/or the Deloitte 2015 Audit Representations were not based upon a proper interpretation of Australian Accounting Standards.

- 96. For the purposes only of this proportionate liability defence and without any admission, Abboud repeats paragraphs 219-221 of the Statement of Claim and says that if the matters pleaded in those paragraphs 219-221 are established (which is denied), then it will also be the case that the contraventions by Deloitte pleaded above caused, after 16 February 2015 and further or alternatively after 18 August 2015, the market price of DSH shares to be substantially greater than (a) their true value or (b) the market price that would have prevailed but for those pleaded contraventions.
- 97. Further or in the alternative, insofar as any of the Plaintiffs or Group Members acquired an interest in DSH shares in reliance on the reports of DSH as at 28 December 2014 or as at 28 June 2015 (which is not admitted), then such acquisitions were made in reliance on the Deloitte

2015 Half-Year Members Report and/or the Deloitte June 2015 Members Report, which were published in those financial reports.

98. By reason of the matters in paragraphs 87-97 of this List Response, any misleading or deceptive conduct of Deloitte in making the Deloitte Half-Year Representations and/or the Deloitte 2015 Audit Representations was a cause of the loss or damage claimed by the Plaintiffs and Group Members in these proceedings.
99. In the premises, if it is established (which is denied) that Abboud is liable to the Plaintiffs for any loss or damage, then:
- (i) each of Abboud and Deloitte is a concurrent wrongdoer within the meaning of s.1041L of the Corporations Act; and
 - (ii) pursuant to s.1041L of the Corporations Act, any liability (which is denied) of Abboud to the Plaintiffs for any such loss is to be limited to an amount reflecting that proportion of the loss or damage claimed that the Court considers just having regard to the extent of Abboud's responsibility, and the extent of the responsibility of Deloitte, for that loss or damage.
