**ANNEXURE A**

1. All correspondence between Takata and the defendant or its related entities during the period 1 January 2002 and 8 February 2018, inclusive, referring to or in respect of Takata Airbags (and/or their components) of the type fitted, or to be fitted, to Recalled Vehicles and any one or more of the following:
  - (a) the safety, and/or the functionality or operation on deployment, of those Takata Airbags (and/or their components) insofar as they relate to failures of the following types:
    - a. the airbag exploding or demonstrating a propensity to explode;
    - b. the airbag deploying too rapidly; or
    - c. the airbag deploying with excessive force;
  - (b) the defects or potential defects in those Takata Airbags (and/or their components), insofar as they relate to:
    - a. the airbag exploding or demonstrating a propensity to explode;
    - b. the airbag deploying too rapidly;
    - c. the airbag deploying with excessive force; and/or
    - d. arising from or related to degradation of the propellant;
  - (c) the malfunction or potential malfunction of those Takata Airbags (and/or their components) on deployment insofar as they relate to:
    - a. the airbag exploding or demonstrating a propensity to explode;
    - b. the airbag deploying too rapidly;
    - c. the airbag deploying with excessive force; and/or
    - d. arising from or related to degradation of the propellant.
2. All documents, including correspondence, memoranda, file notes and business records brought into existence or modified by the defendant or its related entities during the period 1 January 2002 and 8 February 2018, inclusive, recording or constituting any consideration, analysis or review by the defendant (or any employees or contractors of the defendant) of Takata Airbags (and/or their components) of the type fitted, or to be fitted, to Recalled Vehicles in connection with:
  - (a) the safety, and/or the functionality or operation on deployment, of those Takata Airbags (and/or their components) insofar as they relate to failures of the following types:
    - (i) the airbag exploding or demonstrating a propensity to explode;

- (ii) the airbag deploying too rapidly; or
  - (iii) the airbag deploying with excessive force;
- (b) the defects or potential defects in those Takata Airbags (and/or their components) insofar as they relate to:
- (i) the airbag exploding or demonstrating a propensity to explode;
  - (ii) the airbag deploying too rapidly;
  - (iii) the airbag deploying with excessive force; and/or
  - (iv) arising from or related to degradation of the propellant;
- (c) the malfunction or potential malfunction of those Takata Airbags (and/or their components) on deployment insofar as they relate to:
- (i) the airbag exploding or demonstrating a propensity to explode;
  - (ii) the airbag deploying too rapidly;
  - (iii) the airbag deploying with excessive force; and/or
  - (iv) arising from or related to degradation of the propellant.
3. All correspondence between Takata and the defendant or its related entities during the period 1 January 2002 and 8 February 2018, inclusive, referring to or in respect of any danger or potential danger that meant a vehicle fitted with Takata Airbags (and/or their components) by reason of:
- (i) the airbag exploding or demonstrating a propensity to explode;
  - (ii) the airbag deploying too rapidly;
  - (iii) the airbag deploying with excessive force; and/or
  - (iv) degradation of the propellant,
- was, or was potentially:
- A. not safe to drive; and/or
  - B. if driven, would expose the driver or passengers to danger and harm.
4. All documents, including correspondence, memoranda, file notes and business records brought into existence or modified by the defendant or its related entities during the period 1 January 2002 and 8 February 2018, inclusive, recording or constituting any consideration, analysis or review by the defendant (or any employees or contractors of the defendant) of any danger or potential danger that meant a vehicle fitted with Takata Airbags (and/or their components) by reason of:

- (i) the airbag exploding or demonstrating a propensity to explode;
- (ii) the airbag deploying too rapidly;
- (iii) the airbag deploying with excessive force; and/or
- (iv) degradation of the propellant,

was, or was potentially:

- A. not safe to drive; and/or
- B. if driven, would expose the driver or passengers to danger and harm.

In respect of the above classes of documents:

- A. the term “**document**” means any record of information (including any part or copy of a document or part thereof) and includes:
  - (i) anything on which there is writing;
  - (ii) anything on which there are marks, figures, symbols or perforations that have a meaning for persons qualified to interpret them;
  - (iii) anything from which sounds, images or writings can be reproduced with or without the aid of anything else, including but not limited to audio recordings, video recordings, a computer databases containing information which can be converted into a readable;
- B. unless otherwise defined in this Annexure A, all capitalised terms have the meaning ascribed to them in the FASOC or the Defence;
- C. anything that is mentioned after the word “including” does not limit any other documents that might be included;
- D. no class of documents limits any other class of documents;
- E. all dates and time periods referred to are inclusive;
- F. **Defence** means the Defence to the FASOC filed 14 September 2018;
- G. **FASOC** means the Further Amended Statement of Claim filed 4 September 2018;
- H. **Proceeding** means Camilla Coates v Mazda Australia Pty Limited, Supreme Court of New South Wales proceeding no. 2018/00042244;
- I. **Recalled Vehicles** means vehicles which are the subject of the recalls pleaded in paragraphs 11 and 11A of the FASOC;
- J. **Takata** means Takata Corporation and its related entities or subsidiaries, including TK Holdings, Inc.;

- K. **Takata Airbag** means an airbag manufactured or supplied by Takata Corporation and its related entities or subsidiaries, including TK Holdings, Inc and Takata Sachsen GmbH.
